

TRAVEL AND MAIL STOP INFORMATION

PACIFIC COAST EXPEDITION

JULY 1 TO JULY 18, 2010

ARRIVAL AND DEPARTURE INFORMATION

Plan to arrive at Sea-Tac Airport in Seattle (SEA) between **10:00 am** and **Noon**. If you are from, or will already be in the area, plan to meet at **12:00 pm** on **July 1** at the American Airlines baggage claim, near the baggage claim office. If you need to contact us on that day, please call 800.585.2523.

When arriving by air, wear your boots, check your backpack and duffel, and carry your sleeping bag – in the event your luggage is delayed.

Wear your Williwaw T-Shirt so that we can easily identify each other (we realize it may not be height of fashion).

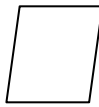

For departure, make plans to leave between **12:00 pm** and **2:00 pm** on **July 18**.

If you are not flying, we will again meet at the American baggage claim office at **Noon**. Your son or daughter will be in touch the afternoon or evening before to confirm.

Please e-mail us your travel information when you have finalized your plans.

MAIL STOP INFORMATION

We will have the opportunity to receive mail several times over the course of the trip. Keep in mind that if letters or packages do not arrive before the scheduled pick-up time it is unlikely that they will make it to us (but eventually will be returned to sender). When sending mail, address all letters and packages as described below and send by **U.S. Mail only**. We will check for mail on **July 9 in Anacortes, Washington** and **July 16 in Westport, Washington**.

<div data-bbox="1084 1255 1182 1360" style="text-align: right;"></div> <div data-bbox="574 1390 906 1499" style="text-align: center;"><p>WILLIAW ADVENTURES C/O GENERAL DELIVERY ANACORTES, WA 98221</p></div> <div data-bbox="672 1507 711 1537" style="text-align: center;"><p>OR</p></div> <div data-bbox="574 1541 896 1575" style="text-align: center;"><p>WESTPORT, WA 98595</p></div> <div data-bbox="574 1621 938 1654" style="text-align: center;"><p>Attention "Student's Name"</p></div>

Please note that **UPS, FEDEX** or other non-U.S. Postal Service letters or packages **CANNOT** be delivered to "General Delivery" at U.S. Post Offices, and we have no way of receiving them. Also, try to **avoid** sending **USPS Express Mail** and mail with **signature confirmation**, as it may be returned if not immediately picked up, and it could complicate delivery. Keep in mind that food & other heavy objects may be delayed, if mail is part of a limited-space re-supply.
