

# TRAVEL AND MAIL STOP INFORMATION

NEW ENGLAND EXPLORER

JULY 24 TO JULY 31, 2011

\*UPDATED 7/14/2011

## ARRIVAL AND DEPARTURE INFORMATION

Since everyone will be driving in to the airport, it will be much easier for all to meet at the Jordan's Furniture/Home Depot Parking Lot off of Route 95/Route 128 (exit 39, north side) at between **11:00 am and Noon on July 24**. Look for a 15-passenger van and a U-Haul Trailer.

It is visible right off of the Highway and the address is:

**50 Walkers Brook Drive  
Reading, MA 01867-3224**

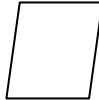

If you need to contact us on that day, please call 800.585.2523 – it will be forwarded to Mike or Cordy's cell phone.

For departure, we will meet at **Noon** at the same location on **July 31**. You will hear from your son or daughter the day before and their instructors will be available to answer any questions.

*\*If you decide to have your son or daughter fly out home on July 31<sup>st</sup> we will still be able to bring them to the airport and help get them on their flight.*

## MAIL STOP INFORMATION

We will have the opportunity to receive mail several times over the course of the trip. Keep in mind that if letters or packages do not arrive before the scheduled pick-up time it is unlikely that they will make it to us (but eventually will be returned to sender). When sending mail, address all letters and packages as described below and send by **U.S. Mail only**. We will check for mail on **July 27 in Stratton, Maine**.

<b>WILLIWAU ADVENTURES</b> C/O GENERAL DELIVERY <b>STRATTON, ME 04982</b>
Attention "Student's Name"

Please note that **UPS, FEDEX** or other non-U.S. Postal Service letters or packages **CANNOT** be delivered to "General Delivery" at U.S. Post Offices, and we have no way of receiving them. Also, try to **avoid** sending **USPS Express Mail** and mail with **signature confirmation**, as it may be returned if not immediately picked up, and it could complicate delivery. Keep in mind that food & other heavy objects may be delayed, if mail is part of a limited-space re-supply.
