

TRAVEL AND MAIL STOP INFORMATION

PACIFIC NORTHWEST EXPEDITION

JULY 23 TO AUGUST 13, 2008

ARRIVAL AND DEPARTURE INFORMATION

Plan to arrive at Sea-Tac Airport between **10:00 am** and **noon**. If you are from, or will already be in the local area, plan to meet at **12:00 pm** on **July 23** at the American Airlines baggage claim, near the baggage claim office. If you need to contact us on that day, please call 781.585.3459 or 800.585.2523.

When arriving by air, wear your boots, check your backpack and duffel, and carry your sleeping bag – in the event your luggage is delayed.

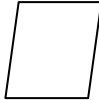

Wear your Williwaw T-Shirt so that we can easily identify each other (we realize it isn't the height of fashion).

For departure, make plans to leave between **10:00 am** and **12:00 pm** on **August 13**. If you are not flying, we will again meet at the American baggage claim office between **11:00 am** and **noon**. Your son or daughter will be in touch the afternoon/evening before to confirm.

Please e-mail or fax us your travel information when you have finalized your plans.

MAIL STOP INFORMATION

We will have the opportunity to receive mail several times over the course of the trip. Keep in mind that if letters or packages do not arrive before the scheduled pick-up time it is unlikely that they will make it to us (but eventually will be returned to sender). You are welcome to send healthy snacks and baked goods, but please do not send candy. When sending mail, address all letters and packages as described below and send by **U.S. Mail only**. We will check for mail on **July 28 in Eastsound, Washington** and **August 11 in Rockport, Washington**.

<p style="text-align: right;"></p> <p style="text-align: center;">WILLIWAW ADVENTURES C/O GENERAL DELIVERY EASTSOUND, WA 98221 OR ROCKPORT, WA 98283 Attention "Student's Name"</p>
--

Please note that **UPS, FEDEX** or other non-U.S. Postal Service letters or packages **CANNOT** be delivered to "General Delivery" at U.S. Post Offices, and we have no way of receiving them. Also, try to **avoid** sending **USPS Express Mail** and mail with **signature confirmation**, as it may be returned if not immediately picked up, and it could complicate delivery. Keep in mind that food & other heavy objects may be delayed, if mail is part of a limited-space re-supply.
