

Williwaw Adventures – Financial Aid Application

To Scholarship Applicant:

Thank you for your interest in our summer programs. In order to request to be considered for Financial Aid, please submit the following and read these details carefully:

- Williwaw Application** (from our website or catalog)
- Williwaw Student Questionnaire** (from our website)
- A letter written by the applicant explaining why you are interested in one of our expeditions.
This letter must be written by the applicant, not an adult, and include who you are, where you are from, and why you would like to join us on a trip.
- This **Financial Aid Application**
- Appropriate Supporting Documentation**

Scholarship applications are due on May 15th. Notification will be shortly after this date. It is possible that we may still have scholarships available after that date, on a case by case basis – please check with us.

Each summer, requests far exceed the amount of funds we have available for students – and this is allocated based on demonstrated financial need and the enrollment needs of our program. Although we do our best to accommodate as many applicants as possible, unfortunately we are not able to offer financial assistance to all applicants, and rarely are able to offer a full scholarship.

Be aware that the only way to hold a space on an expedition is to submit a \$750 deposit, which, if it is accompanied by a complete scholarship application (as per above), can be fully refundable if you withdraw your application, in writing by June 1st.

Please be assured that this information will be kept confidential.

*Complete all items, do not leave any blanks – enter zeros if necessary. Information must be based on your **recent tax return(s)**. If the applicant's parents are separated or divorced and the applicant is financially supported in whole or in part by the non-custodial parent or by another adult, then each parent and supporting adult must fill out a separate form.*
